A MESSAGE FROM THE HEART!

This is my message to you, because I love you ..

This is my message to you, because I want you to enjoy eternal happiness..

It is a message from the heart to everyone who is looking for the truth..

Who are you? Why were you created? And what happen after death?

How do you live happily in your grave?

How do you become worthy to enter Paradise?

And what is the path that leads to Paradise to be immortal and never die?

WHO ARE YOU?

You are a human being whom Allah has honored you with a mind capable of distinguishing between what brings benefits and harms to you.

You are a human being whom Allah has conferred preference over other creatures.

You are a human being whom Allah has dignified by virtue of sending His Messengers to guide you to the right path.

You are a human being whom Allah has valued greatly, has ennobled and has harnessed other creature to be at your service, such as animals, birds, plants, seas, fish, and others.

WHY DID ALLAH CREATE YOU?

Allah created you to worship and obey Him. You cannot know how to worship Allah except through the honorable Messengers sent by Allah to mankind to guide them to follow what Allah loves and wants and to abandon what Allah hates.

Allah created Adam, peace be upon him, and human beings remained on the true monotheism and they worshiped Allah for a period of ten centuries. After that, people began to relinquish the worship of Allah with a sharp eye directed to worship idols. However, Allah sent to them the Prophet of Noah, to return them to the worship of Allah alone and to abandon the worship of idols. After years of divine call to monotheism, few people believed in the call of Prophet of Noah and so many arrogantly disbelieved the call. Thus, Allah drowned those disbelievers to death by almighty Flood.

As such, whenever people went astray from worshipping Allah, Allah sent to them a Messenger to guide them to the obedience of Allah. Thus, Allah sent to humanity Prophet Moses, Jesus and then Muhammad, may Allah's prayers and peace be upon them.

ALLAH STRENGTHEN EVERY PROPHET WITH MIRACLES.

One of the miracles of the Prophet of Allah, Moses, peace be upon him, was his stick. His stick was to turn into a great snake once thrown on the ground. Furthermore, Moses stroke the sea with his stick, so it was divided, and each separate part became like the huge, firm mass of a mountain, and there was, between them, a great road through which Moses and his people passed. When Pharaoh and soldiers wanted to follow Moses and passed through this great road, Allah ordered the sea to return to its previous state and drowned Pharaoh and his soldiers to death.

In addition, the miracles given by Allah to prophet Jesus peace be upon him to strength him through his call was that prophet Jesus peace be upon him formed clay into the figure of a bird and breathed into it, causing it to thereby become a living bird by Allah's leave; he healed those who born blind and the lepers, and he revived the dead by Allah's leave.

Among the miracles given by Allah to his Prophet Muhammad, peace be upon him, were that the infidels of Quraysh told him: We want a miracle to prove that you are a messenger from Allah. Then, Prophet Muhammad, peace be upon him, looked at the moon and called his Lord, and said to the moon: "split by Allah's leave", and the moon miraculously split in two halves; one half went behind the mountain and then the two halves joined together again to their natural state.

They said after seeing this miraculous event: We should not respond to your call now until we ask people in other places whether they actually saw this miracle or you bewitched our eyes! When the merchants of Quraysh who were in the Levant came back to Mecca, they told them that they had seen the moon split in two halves on that night.

Another miracle given exclusively to the Prophet Muhammad, peace be upon him, was the Holy Quran. The Quran is filled with numerous types of miracles.

1. The Rhetorical Miracle of Language:

The Quran was revealed to people who were at their peak in eloquence and rhetoric. Then, the Quran challenged them to come up with a single chapter equal in eloquence and rhetoric like the ones in the Holy Quran. After trying feverishly, they failed and could not respond to the challenge.

2. Scientific Miracle:

The Quran mentioned scientific facts that human beings have never known except in the modern era. Thus, they are overwhelmed with great shock and surprise after realizing that they are already mentioned in the Quran, which made many non-Muslim scholars announce their conversion to Islam, for example:

It is the Muslim Prof. Abdul Majeed Al-Zindani who conducted a discussion with Prof. TajatTagasun, head of the Anatomy and Embryology Department at Chiang Mai University in Thailand, who then became the Dean of the Faculty of Medicine.

The Muslim Prof. Abdul Majeed Al-Zindani asked Prof. TajatTagasun: Where do the receptors responsible for the feeling with pain exist in the human body?

Prof. TajatTagasun replied: They exist in the nerve endings in the skin. Thus, if the skin is completely burned, the sensitive nerves are destroyed, then no pain after that will be felt by a person. Therefore, there must be a skin to feel with pain.

The Muslim Prof. Abdul Majeed Al-Zindani asked Prof. TajatTagasun: When have scientists reached for this discovery?

Prof. TajatTagasun replied: Very soon after the invention of modern equipment.

The Muslim Prof. Abdul Majeed Al-Zindani said: But the Quran told us about it from more than 1400 years ago.

Prof. TajatTagasun surprisingly replied: It is unreasonable! Bring the Quran and prove it.

He brought the Quran, and opened Chapter: al-Nisaa, verse (56) and read:

"Those who reject our Signs, We shall soon cast into the Fire: as often as their skins are roasted through, We shall change them for fresh skins, that they may taste the penalty: for Allah is Exalted in Power, Wise."

In other words, Allah will torment the disbelievers with fire on the Day of Judgment. Once their skins are burned, the pain will stop. Therefore, Allah will create other skins for them to continue feeling with pain.

The Muslim Prof. Abdul Majeed Al-Zindani asked Prof. TajatTagasun: Could it be that Muhammad received this information from a human source?

Prof. TajatTagasun replied: It is impossible! Humanity at the time did not know anything about it. Where did he get it from?

The Muslim Prof. Abdul Majeed Al-Zindani said: From Allah; because Muhammad is the Messenger of Allah.

Prof. TajatTagasun said: Let me study the Quran in a modern scientific study.

SURPRISE

After a full year of studying the Holy Quran in the light of modern science, Professor TajatTagasun came to attend the 8th Medical Conference in Saudi Arabia. After hearing four days of scientific research provided by Muslim and non-Muslim professors on the scientific miracles in the Quran and Sunnah, Prof. TajatTagasun said:

"As a specialist in anatomy and embryology, I have studied the Qur'anic verses concerning fetal stages and anatomy, and found that what is mentioned in the Quran has not been discovered by science except recently. The time of revelation was not the time during which we reached these facts. It must be that Muhammad had received this Quran as true revelation from Allah. Hence, I have ascertained that Muhammad is surely the Messenger of Allah.

I am now announcing my conversion to Islam (I bear witness that there is none worthy of worship except Allah and Muhammed is His Messenger)."

These sincere words were uttered among the shouts of the crowds, exclaiming Allah is great, and the tears of the spectators.

You can watch Prof. TajatTagasun pronouncing the Islam testimony of faith on the YouTube channel of Program (It is the Righteous Religion).

Moreover, you can type on Google search engine "*scientific miracles in the Holy Quran*", to watch wonderful videos, and to watch the testimonies of faith of the specialized doctors of Muslims and non-Muslims while they are surprised by the scientific miracles contained the Holy Quran.

3. Legislative Miracle:

The Holy Quran has been developed a well drafted law that regulates the affairs of states and individuals in financial transactions, personal status, crimes, judiciary and other fields which have shocked the specialists.

4. Miraculous Guarding of the Holy Quran:

Since the Quran was revealed from Allah for more than 1,400 years and nothing has changed in it even a single word and a single letter, this is a pure miracle. Allah proved this miracle when He said in the Holy Quran:

"Verily, it was We, We Ourselves Who have revealed this Reminder (- the Qur'ân); and it is We Who are, most certainly, its Guardian" (Al Hijir: 9).

In other words, Allah is the One Who revealed the Quran to His Prophet Muhammad, peace be upon him, and He is the One Who will guard the Quran from any act of corruption or change.

THE TORAH FORETELLS THE COMING OF THE PROPHET JESUS, PEACE AND BLESSINGS BE UPON HIM

In the Torah in Deuteronomy, Chapter 33, Paragraph 2:

He said, "The Lord came from Sinai, And rose from Seir to them. He shone forth from Mount Paran."

The meaning of this paragraph:

"The Lord came from Sinai": This refers to the revelation of the Torah to the Prophet Moses, peace and blessings be upon him, on Mount Sinai in Sinai.

"And rose from Seir to them": This refers to the place where Prophet Jesus, peace and blessings be upon him, lived. Seir refers to the series of the mountains of Seir, which extends on the eastern side of Wadi Araba in Palestine.

"He shone forth from Mount Paran": Paran is the ancient name of the land of Mecca where the Prophet Muhammad, peace and blessings of Allah be upon him, was born and received Allah's revelation.

THE TORAH FORETELLS THE PROPHET MUHAMMAD, PEACE BE UPON HIM

The Torah, the Song of Songs, Chapter 5, Paragraph 16 in Hebrew:

"חֵבֶל מִמַּתְקִים וְכֵל מִחֲמֻדִים זֶה דוֹדִי וְזֶה רֵעִי בְנוֹת יְרוּשָׁלַם"

The meaning of this paragraph:

His mouth is sweetness itself; he is Muhammad. This is my beloved, this is my friend, daughters of Jerusalem.

THE GOSPEL FORETELLS THE PROPHET OF ALLAH MUHAMMAD, PEACE BE UPON HIM

1. The Gospel of John, Chapter 16, Paragraph (7): Jesus Christ, peace be upon him, says, addressing his companions:

"But very truly I tell you, it is for your good that I am going away. Unless I go away, the paracletus will not come to you."

The paracletus is a Greek word which means Muhammad.

2. The Book of Isaiah, Chapter 21, Paragraph (13.14):

"Oracle: in the steppe: In the thicket in the steppe you will spend the night, caravans of Dedanites."

This is a statement that the revelation would be revealed to the Messenger of the Arabs, Muhammad, peace be upon him, and that he would pass on his journey from Mecca to Medina by the region of (Dedan) which is near the City of the Prophet "Medina".

There are many good omens in the Bible of the coming of the Prophet Muhammad peace be upon him.

You can type on Google search engine (Good omens in the Torah and the Bible of the coming of the Prophet Muhammad peace be upon him, and you will find out wonderful results.

However, if you are sick and cannot fast, you can feed a poor person for every day during the Holy month.

(Amen)." This means: "All praises and thanks be to Allah, the Lord of the worlds, the most Gracious, the most Merciful; Master of the Day of Judgment. 7. Sit up from the floor saying Allahu Akbar. Sit upright with your knees bent and palms placed on them and say: "Rabbighfir li." This means: "O my Lord! Forgive me." Say "Allahu Akbar".

8. Prostrate again in the Sujood position. Recite "SubhanaRabbiyalA'la" three times. Sit up from this position saying "Allahu Akbar".

9. This completes the first Rak'ah or unit of Salah. Now stand up for the second Rak'ah and perform it in the same way.
